IMPROVEMENT CLUB

NEIGHBORHOOD CLEAN-UP

*T*he next SMPIC meeting will be held on May 9th at 7:30 p.m. in the St. Mary's Park Recreation Center, Murray and Justin.

Per our last meeting, the annual Spring Neighborhood Clean-Up is scheduled for the weekend of May 6th and 7th.

Now is the time to take advantage of a great SMP tradition. In honor of Mothers Day, each year SMPIC offers its residents the opportunity to dispose of yard and weed debris completely free of charge! The idea is for residents to mow and trim

front lawns, trim hedges and scrape weeds from sidewalks and curbs. Place vegetation debris in plastic bags and place on the curb in front of your home (or drop off at the far end of the 400 block of the College Street island). A truck and several volunteers will be roaming the neighborhood Saturday afternoon, May 6th, and Sunday morning, May 7th, to pick up the bags and deposit them at the lower end of the College Street island. A garbage disposal service has been arranged to remove the debris. As in the past, this disposal service is available **ONLY** to residents of SMP

and limited to materials such as grass, weeds and light hedge trimmings. Please—NO shrubs, tree limbs, branches or garbage.

If you and your neighbors live on a street with a grass island such as College, Justin or Benton, please help the maintenance crew by removing weeds from the curb around the island. Let's all pitch in to make this the best Spring Clean-up for Mothers Day.

Thank you for your participation.

ST. MARY'S POTLUCK DINNER

The St. Mary's Park Improvement Club will be hosting the annual Pot Luck Dinner at the next meeting, May 9th, at 7:30 pm in the St. Mary's Park Recreation Center. This is a great opportunity to mingle with your fellow neighbors. As always, family admission is free with the contribution of one food item. Bring a delicious secret family recipe. Be creative. Last years dinner was a huge success with many wonderful casseroles, salads, and meat dishes as well as a bounty of delectable cookies, pies, cakes and confection desserts. Don't miss this one. Our regular meeting will be kept short in order to devote more time for dining. If you've been planning on attending a meeting this would be a great start. This years Pot Luck Dinner promises to be a grand event.

SURVEY UPDATE

Due to popular demand, the deadline for the SMP survey has been extended to May 15th. With over 80 questionnaires returned and a steady flow of responses continuing to appear, additional time was granted so that everyone could be heard. If you have not filled out the questionnaire please do so and mail or drop the response to: 100 Justin Drive, San Francisco, CA 94112. Thanks to all who participated in this survey.

CRIME WATCH

The Ingleside police department reports a burglary of a residence within the 400 block of Justin and malicious mischief-vandalism of a residence on the 400 block of College. Although not reported to police, it was mentioned at the last SMPIC meeting that several residents in SMP have had lilacs, hibiscus and other foliage stolen from their front and side yards. In one case an entire lilac tree was striped to bare branches. Keep an eye open for suspicious gardeners. Report suspicious characters to police at 553-0123.
